

# EXHIBIT G

Dear Mr. Middlemiss,

I was going to tell you she could go to hell, and I will see you in court. But, this is not who I am. The reason I deposited Eman's check in my account was to be able to cash the check for her. Not to take the money for myself. As you know, I have my own money. Also, this was done because she asked me to do it. Nothing was done behind her back. If I took the money, why would she wait two and a half years to ask for it? On top of waiting eight months since she left my home with her son. Is that weird to you? It is weird to me. I already told you and you forgot as her lawyer. Eman is on SSI so she is not allowed to have more than \$2,000.00 in her bank account. That is why it was done this way. I gave her all of the funds when she came back home because at the time of using the check she was overseas for a year. All I know is that she bought three to four very expensive dresses from Nordstrom and gave some money to her son. I do not know how much money she had when leaving the house because I do not ask those questions, nor do I care. Spying is one of her habits not mine. That is not the point, after stealing 3.5 million dollars with her son, she has the balls and audacity to ask for money back that she already has. This is how Eman operates. As I told you in the past she is a quicksand.

But you are a NYC attorney who is clearly very seasoned. I told you how reckless she is and you still are doing what she asks without thinking about what is good for her. When you sent me the first letter, her punishment was that I told you about her history and who she is so you know who you are dealing with. That is something she would never have told you. How am I going to punish her for the second letter to me? So far, I didn't say one bad word about her or her son or do anything to harm them. I am never the aggressor. Now I am going to tell SSI her story overseas and in America. Including how much money she has overseas and helping SSI with their case against Eman. I will also give them your letter to me and the copy of the check. She could lose her income, medicaid and food stamps. Thank you for supplying me with them. I am going to call the insurance company that gave her that money and tell them the truth that she is completely healthy and her entire case was a fraud as a witness to it myself. I swear to you on that. See, as I told you in the past, lying about me is not that easy. I despise liars more than you will ever know. I love hotel business, convenience marts, restaurants and real estate but my passion that comes to me naturally is law. You never know where I am going to come from. So far I won thirteen cases, never losing one. Eman's son was arrested in New Paltz for aggravated drunk driving. You are a lawyer, the sentencing

is mandatory in these cases. I dismissed that case. He called the female police officer a fucking cunt and his mother's nickname for years is also a fucking cunt. Her son was also arrested in LA twice. For beating the hell out of his girlfriend. I got involved and the DA refused to take both cases, making them also dismissed. I am telling you all this because this girl is reckless and you as her lawyer must protect her. The next lie, whatever it may be, I will punish again. I will not be the aggressor.

Thank you, may God bless you and good luck:

Respectfully yours,

Marty Soudani

P.S. you can send a copy of this also to Mr. Rosenwasser. Also, there is a surprise for you in this letter. As I told you, you never know where I am coming from. This one has a different date.
